

Assisi Vidyaniketan Public School

KAKKANAD

Syllabus of Life

ABOUT US

Assisi Vidyaniketan Public School was established in the year 1994 by the Archbishop Attipetty Foundation Trust, under the experienced and dynamic guidance of its Director, Rev. Dr. Francis Kannikal S. J. Situated in the lush, verdant environment of Kakkanad, on the outskirts of Kochi city with a canal flowing quietly by its side, the 12-acre settings could not have been a more conducive site for an educational institution. The school buildings themselves are a marvel in simplicity and economy yet high in utility.

Excellent facilities are provided for Co-curricular activities and Sports and Games. From its fairly humble beginnings, the progress was phenomenal. Starting with a total of 277 students at inception, the strength crossed the 1,000 mark in the third year. It has more than 2500 students from I - XII on the rolls today. The School is affiliated to the C.B.S.E. (Aff. No. 930138 & School Code 75136). Students are prepared for the AISSE and AISSCE Courses.

Patron:
**Most. Rev.
Dr. Joseph Kalathiparambil**
Metropolitan Archbishop,
Archdiocese of Veropoly

Director:
**Very. Rev.
Fr. Jacob Baiju Ben**

Administrator:
Rev. Dr. George Mathirappilly

Principal:
Ms. Suma Paul

Vision Statement

“To be an excellent Centre of Learning
Unique in approach.....
Striving to build up a humane value based
society.”

Mission Statement

Assisi Vidyaniketan Public School shall facilitate comprehensive and integral development of its students by providing excellent facilities to imbibe human qualities and knowledge necessary for the individual and society.

School Ethos

RISE

RESILIENCE
INTEGRITY
SUSTAINABILITY
EMPATHY

Aims of the School

- To help students achieve academic excellence.
- To inspire creativity and co-curricular involvement.
- To supplement academic and co-curricular striving with value – oriented education for strong moral development.
- To create in the students, interest and awareness of social and civic issues and a sincere commitment to society and nation.
- To provide scholarships to promote healthy competition.

SYLLABUS OF LIFE

Assisi VPS believes in a holistic philosophy of Education and we call it THE SYLLABUS OF LIFE. Our teaching pedagogy is specially curated to ensure that each student is facilitated to imbibe all relevant Life Skills and Values concurrent with academics, enhancing of co-curricular talents and physical fitness training. Through this conviction, we envision the transformation of all Assisians into persons of character; possessing exemplary leadership, self – belief, integrity, resilience, etc., and thereby, becoming valuable assets to society, with a future - readiness for national and global citizenship.

KAKKANAD

alphadale

the valley of learning

ALPHADALE ASSISI KINDERGARTEN is situated in a unique and independent campus adjacent to the main School Campus, with fascinating facilities and an entirely new ambience for fun-filled, creative learning. A team of well trained, caring teachers guide children to take the first steps into the World of Learning with enthusiasm and joy. They equip them to enter the arena of more formal education with self-motivation and confidence.

Primary Section

The Primary Classes are housed in separate blocks. Here the focus is on instilling in students a natural interest and love for learning and developing socially worthy behaviour and values. English, Hindi, Malayalam, Mathematics, Environmental Studies and Computer Science are taught. The students are also given training in English Communication, Music, Dance, Drawing, Craft etc.

Middle School and Secondary Section

The students of Classes VI-X are prepared for Competency Based Assessment and for imbibing 21st century skills. Class X students appear for the CBSE X Board Exam(AISSE). Other than academics, the students also get good exposure to co-curricular activities. The following subjects are taught: English, Second and Third Languages (Hindi/Malayalam), Mathematics, Science (Physics, Chemistry & Biology) and Social Science (History, Civics, Geography, Economics). Physical & Health Education, Work Experience, Art Education, Music, Value Education, Life skills & Career Guidance Programmes also form part of the curriculum.

Senior Secondary Section

This section was started in 1999 and students are prepared for the CBSE XII Board Exam (AISSCE). There are Science, Commerce & Humanities streams and following subjects are taught :

Science 1 : Physics, Chemistry, Mathematics, Computer Science

Science 2 : Physics, Chemistry, Biology, Mathematics / Informatics Practice / Home Science / Physical Education.

Commerce : Accountancy, Business Studies, Economics, Mathematics /Psychology/Informatics Practices / Home Science/Physical Education

Humanities : History, Political Science, Informatics Practices / Psychology, Economics /Home Science/Physical Education

Artificial Intelligence is offered as the Skill subject
